

**MEISTER WEDDING RINGS:
UNMISTAKABLE QUALITY IN CONSUMMATE PERFECTION OF FORM**

MEISTER wedding rings are an emotional statement of lifelong devotion: they represent genuine values and are born out of an aspiration to the highest standards in design, materials and manufacturing quality. Once the bridal couple has chosen their personal favourite rings, every single pair of rings is crafted individually by qualified personnel step by step at the Swiss wedding ring manufacture. In fact, every MEISTER wedding ring is a genuine collective masterpiece: the finest elements of traditional craftsmanship are creatively fused with the advanced possibilities offered by today's innovative technologies. Jewellery designers, gold and platinum smiths, gemologists, jewel setters and polishers together vouch for a perfection that is beyond the reach of any one individual. The expert crafting of top-grade materials guarantees the bearer superlative lifelong comfort. A fulfilled life is made up of many experiences that each leave their mark, and this is reflected on the rings: the occasional wear marks not only form an exciting surface, but also mirror the vitality of the wearer. By the way: all MEISTER rings can be unequivocally identified by the "M" on the inside of the ring – the hallmark stands for authenticity and supreme "Made in Switzerland» craftsmanship.

Handmade meets high-tech: MEISTER wedding rings are a distinctive expression of the interplay of tradition and innovation.
